Coretec®
Warranty Program

This document details of coverage and limitations for the following warranties for Coretec® flooring planks and tiles. The warranty will not apply if our installation instructions and guidelines from other related document (care guide, underfloor heating guidelines, underlay guidelines, etc.) are not followed properly.

1. Lifetime Limited Residential Wear Warranty.
2. Lifetime Limited Structure Warranty.
3. Lifetime Limited Waterproof Warranty.
4. 10 Year Limited Medium Commercial Wear Warranty.

Lifetime Limited Residential Wear Warranty

The vinyl layer of the floor plank is warranted by US Floors not to wear-through under normal use for the life of the product. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation (gloss reduction or surface scratches are not considered surface wear). Dull finish can be corrected with spot or overall recoating care systems. If 100% vinyl layer wear-through is determined to have occurred, US Floors will arrange a prorated credit based on the terms outlined below in the section headed “Terms of Lifetime Limited Warranties”. This warranty is non-transferable and applies only to the original purchaser.

This lifetime limited residential wear warranty is made subject to the following conditions:

1. The floor must be installed properly and according to US Floors’ installation instructions.
2. The flooring must be used only indoors in a climate controlled area.
3. The flooring must be maintained in accordance with US Floors maintenance instructions.
4. This limited warranty does not apply to US Floors moldings and trims.
5. Installation of flooring that contains any manufacturing defect is not covered by this limited wear warranty.

Lifetime Limited Structure Warranty

The floor plank and/or tile is warranted to be free from manufacturing or material defects for the life of the product. Should a defect occur, US Floors will arrange a credit based on the original purchase of the product. Should a problem attributable as a manufacturing defect develop after flooring is installed, the cost of labor for repair will be covered by this warranty. This warranty is not transferable by the purchaser of the floor.

Upon determination of a valid manufacturing defect, credit will be issued to the dealer and will be good toward the purchase of a replacement. When a defective product is installed, credit applies to material only and does not include labor since it is the

responsibility of the installer to determine suitability of material prior to installation. Should a problem attributable to a manufacturing defect develop after flooring is installed, the cost of labor for repair will be covered by the Lifetime Limited Structure Warranty.

Limited Lifetime Residential Wear and Lifetime Limited Structure

Warranty does not cover:

1. Damage due to adhesives or tape, scratches, gouges, scuffs, punctures, cuts, indentations, burns, accidents, lack of proper furniture rests or any intentional misuse of the product. Loss of finish gloss over time is consistent with normal wear & tear and is not a product flaw.
2. It is normal and expected for there to be color variations due to use of natural components, exposure to UV light and/or sunlight, and age of material. Therefore, color inconsistency between samples, replacement product or illustrations and actual product is not a manufacturing flaw.
3. Manufacturer makes no guarantee that US Floors products will match or coordinate with customer furnishings, trim, cabinetry, railings, etc.
4. Noncompliance with installation instructions and maintenance guidelines as recommended by US Floors.
5. Manufacturer cannot assume responsibility for the suitability of flooring material and accompanying products for each individual installation as manufacturer has no control over the installer's proper application. Should an individual piece be doubtful as to appearance or dimension the installer should not use this piece.
6. Cracking, warping, soiling, fading, improper maintenance or abuse caused by items such as roller skates, golf shoes or pets.
7. Floor covering installed in inappropriate locations is excluded from this warranty.
8. Gloss reduction or surface scratches are not considered surface wear. Dull finish can be corrected with spot or overall recoating care systems.

Lifetime Limited Waterproof Warranty

The floor plank or tile is warranted to be 100% waterproof and the structural integrity of the floor plank or tile will not be significantly diminished by exposure to water for the life of the product. While moisture will not affect the floor's integrity, it is probable that, when excessive moisture accumulates in buildings or on building materials, mold (and/or) mildew growth can occur (particularly if the moisture problem remains undiscovered or unaddressed).

US Floors moisture warranty excludes damage resulting from mold and/or mildew growth due to prolonged exposure to moisture. If the floor plank or tile is structurally impugned, resulting from exposure to water, US Floors will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms Of Lifetime Limited Warranties". This warranty is not transferable by the purchaser of the floor.

The Limited Waterproof Warranty does not cover:

1. Damage to surrounding structure, walls, subfloor, fixtures, furniture, underlayment, moldings, trims, subfloor heating elements, or anything that is not the floor plank or tile.
2. Damage resulting from mold & mildew growth due to prolonged exposure to moisture.
3. Flooring that is installed outdoors.
